

PRESS RELEASE

Extenway Concludes a Private Placement of Common Shares

MONTREAL, QUEBEC, September 11, 2013 – Extenway Solutions Inc. (“**Extenway**”) (TSXV: EY) is pleased to announce the closing today (the “**Closing Date**”) of a private placement of 3-million common shares at a purchase price of \$0.13 (the “**Shares**”) for gross proceeds of \$390,000 (the “**Offering**”). The Shares were issued to investors pursuant to exemptions under *Regulation 45-106 respecting prospectus and registration exemptions*.

“We are very pleased to have completed this financing,” said John McAllister, President and CEO of Extenway, who recently won contracts with hospitals in Quebec and Ontario.

The proceeds of the Offering will be used for working capital purposes. Extenway may complete subsequent tranches under this private placement of common shares.

IRR Capital Inc., an exempt market dealer, acted as finder for the Offering and received a cash commission of \$27,300.

The Shares have not been nor will they be registered under the United States Securities Act of 1933, as amended, or state securities laws, and may not be offered or sold in the United States or to an account for the benefit of US persons, absent such registration or an exemption from registration.

Installation in the Gatineau area’s hospitals

Extenway is also pleased to announce the completion of the installation of 200 bedside terminals at the Hull Hospital. Patients can now enjoy all the services offered by Extenway. The installation of bedside terminals for the 214 beds at the Gatineau hospital shall be completed within the next month.

Improvement of the financing conditions for the hospitals’ equipment

Extenway has favourably renegotiated certain terms of the term loan facility agreement for the installation of equipment in hospitals. The initial agreement was previously announced in a press release on March 22, 2010.
