

PRESS RELEASE

Extenway Completes a Private Placement of Debentures

MONTREAL, QUEBEC – September 18, 2013 – Extenway Solutions Inc. (“**Extenway**”) (TSXV: EY) is pleased to announce the closing as of September 17, 2013 (the “**Closing Date**”) of a private placement of convertible debentures (the “**Debentures**”) in an aggregate principal amount of \$200,000 (the “**Offering**”), issued pursuant to exemptions under *Regulation 45-106 respecting prospectus and registration exemptions*.

The Debentures are unsecured, will mature on August 31, 2017, bear an annual compounded interest rate of 12% and are convertible into common shares of Extenway (the “**Common Shares**”) at a conversion price of \$0.13 if the conversion is effected no later than at 5:00 pm on April 29, 2016 or \$0.17 if the conversion is effected thereafter, subject to customary adjustment provisions. The Debentures and all underlying Common Shares are subject to a four-month plus one-day hold period from the Closing Date, expiring on January 18, 2014, pursuant to securities legislation and the policies of the TSX Venture Exchange.

The proceeds of the Offering will be used for working capital purposes. Extenway may complete subsequent tranches under this private placement of Debentures.

IRR Capital Inc., an exempt market dealer, acted as finder for the Offering and received a cash commission of \$10,000.

The Debentures and all underlying Common Shares offered pursuant to the Offering have not been nor will they be registered under the United States Securities Act of 1933, as amended, or state securities laws, and may not be offered or sold in the United States or to an account for the benefit of US persons, absent such registration or an exemption from registration.

New Entertainment Systems in the Lanaudière and Laurentides Hospitals

Patients hospitalized at the Lanaudière Regional Hospital Centre will soon enjoy digital entertainment thanks to Extenway’s bedside terminals. In November, the installation of the 254 bedside terminals should be completed in this hospital. The contract also includes the installation and management of 650 additional multimedia terminals at the Pierre-Le Gardeur Hospital and the Saint-Jérôme Regional Hospital. These terminals will be put into operation in the coming months.
